Harlan J. Berk, Ltd. has presented an innovation in numismatics for some time now. The system is simple. When you want a coin in the sale, just bid the estimated price by phone or mail. We will send you the coin immediately. No waiting for the closing of the sale. Any and all coins not sold before the closing date will be sent to the highest bidder on April 22, 1987.

EXAMPLE — You bid estimate on a coin valued at \$100.00 and if your bid is the 1st to reach us, you will receive the coin immediately. If on the other hand, you bid \$75.00 on the same coin and are still the high bidder at the end of the sale, the coin will be mailed to you on the closing date, April 22, 1987.

If you are ever in the area, stop in and see us! Of course, it's best to call first.

FROM THE DESK OF HARLAN J. BERK

A Personal Note;

Originally we were going to have a gallery in Chicago and retain an office in Joliet but Lincoln once told us about "a house once divided." As of February 25, 1987, the Joliet office no longer exists.

Our new premises are very nice to say the least. Located at 612 North Michigan Ave., on the magnificent mile, we occupy more than half of the second floor. Our library is on the right side of the glass and marble hallway while our gallery which overlooks the avenue is on the left.

Please visit us when you are in Chicago. We are open Monday thru Saturday. Appointments are not necessary but are appreciated. In addition to our coin inventory and large selection of antiquities, the Buy or Bid Sale lots will be on view at the gallery.

In closing I'd like to wish us all good luck in the 48th Buy or Bid Sale.

Harlan
